WORLD PLAY DAY AT GORUTHA TOY LIBRARY, MPUMALANGA, SOUTH AFRICA

Submitted by: Fia Lööf, Project Coordinator

I just want to let you know that we had a fantastic celebration of World Play Day on 28th May at our Toy Library at the Gorutha Centre. We had 230 children from 11 different crèches. The children came from Hoedspruit, our nearest town, and from nearby farms. Fifty volunteers also came to play and to support by making sure the children were happy and safe.

We had activities such as a jumping castle, sand pit, bicycles, dress up corner, trampoline, soccer and much more! Food and snacks were sponsored by the community and everyone tried their best to make the day a success!
