Number of known toy libraries	334
Administration	See website
Communities served (clients)	See website
Qualifications of toy librarians	See website
Conferences	Every 2 years a national Training Weekend/Conference is held with guest speakers and workshops covering various aspects relating to operating a not-for-profit toy library, including funding, toys, display, promotion, volunteers.
Meetings	Regional get-together evenings/days throughout the country each year offer opportunities for toy library committees to come together to network and share ideas or problem solve together.
Training	No formal training or certificates are available in regard to toy library qualifications. There are some courses of a general nature that toy library committee people can undertake to become better skilled in management of a non-profit organisation, but many of our toy libraries are run by committees of dedicated volunteer parents, often with one paid librarian.
Specific courses offered are: N/A
